THE GROUNDS

OUR GROUNDS

The Abbey Court is set on 5 acres of award winning mature rose gardens. A mix of colours welcome you to this wonderful space creating multiple photo opportunities in every corner.

Pretty arches set into the greenery create a secret garden atmosphere allowing you to steal that first kiss. Wooden benches are dotted throughout for you sit back, inhale, exhale and take a moment for yourself. Enjoy those first special moments as a married couple surrounded by birdsong and the gentle sound of our garden chimes. Relax with a glass of bubbly in hand and wander along the long borders of shrubs.

Hidden away amongst the trees and watching over are our granite statues of cherubs and angels that have blended into their setting harmoniously over the years. Their soft covering of moss gently adds to their antique appearance.

The scent of Spring and Summer blossoms fill the air with azaleas, apple blossoms, roses and blooming bulbs of every description. Spectacular colours of Autumn and Winter growth fill the garden with wonderful shades of deep red, speckled rust and dark green.

No matter the season our garden is the perfect backdrop for your photographs while creating memories to add to your love story.
